“ *Alice was the closest in age to me of my sisters. She was 11 years older. I know I got under skin sometimes. After she married, she would let me stay with her for the summers. I thought I was in Heaven. I remember when Theresa was about three, I said “you are just precious”. She said” NO I NOT, you precious”. I’m glad I got to see Alice with Mary a few years ago. She was so good to mom and dad. ❤️*
