“ I worked with Alvin in the old base shop for Dowell when i first hired on with Dowell. We shared many laughs, and had some great times. I had not seen Alvin in many years, But he will always be in my memories. He was a fine role model and a good christian man! My deepest sympathies to his family.

“ Alvin was one of the greatest guys that I ever knew; one of the most caring, a friend and a like a brother to me. I cherish the times spent with him squirrel hunting, using metal detectors to find things, building things and just talking with him. He always had a big smile and seemed never to get unhappy about anything. He enjoyed playing with my children and they all really loved him. One day we will see him again.

“ I'm so sorry for your loss. I had the opportunity to work with Alvin a few years before his retirement from Dowell. He always had a story to tell, or antics he had pulled on someone recently or years past. He was always fun to be around. Psalms 18:2
