“ My prayers are with Tracie and her family during this time of sorrow. When Tracie and I worked at RSH Annette would cook us lunch and we along with Lisa Holcombe would go visit and eat. Some of the best food I had ever had. She was such a pretty and loving woman . She will dearly be missed.

“ Annette was a wonderfully spunky lady. I loved to see her coming on the unit at the State because she was so funny & had such a BIG personality. She didn't take any nonsense & it tickled me to just sit and visit with her. My condolences to her family as a person as special as her will surely leave a big hole.
