“ I wanted to start off by saying Im terribly sorry to hear about Barbara Ann. I'm so heartbroken for Bubba, Sissy, Jeremy, Brenda , Becky, all her grandkids nieces and nephews . Although, we were related there were too many years that passed that I didn't see or talk to her until I started working at RSH. Anytime I was at med clinic we made sure we spoke and caught up. Then I was fortunate enough to move to med clinic and worked side by side with her for several years until she retired. I loved every minute of it and will forever be thankful for the 7 weeks of maternity leave she donated to me without me even asking. I really hated to see her retire but I knew I would see her at Walmart. And if for some reason I didn't see her she made sure I did. I loved checking out in her area so we could yet again gossip and catch up and she would go through every item I was purchasing and wanted to know what it was for and what I was cooking. There may have been days I was in a rush and even though it may have taken a little bit longer to check out through her line, looking back I wouldn't have done it any other way. With all this being said, may loving memories bring you peace, comfort, and strength. Barbara Ann will be missed.
