“ *Beatrice was my first cousin. Because of the pandemic and Lloyd and I have had health problems we have not seen her in over two years.*

When we were kids we visited their home on week-ends and as teenagers I spent some of summer on their farm outside of Rusk. Those were precious memories. I will miss visiting her and Marlin. I loved her and her whole family very much. My thoughts and prayers are with her son and grandson.

In loving memory ,

“ *Beatrice was a very good person & a lifelong friend. I am so sorry for her son & family as I know how lost they must feel. But Beatrice is once again with her Marlin so maybe they can take comfort in that. Betty Gentry Hartless*
