“ *So sorry that you have lost a sweet, wonderful father and grandfather. I remember the visits that we would have with Bill at the bus station in Wichita Falls late at night. He would come in here on his regular run and we would go sit with him and he and Larry would have coffee. And of course the trips to the deer lease.....always amazed that he would almost always shoot one the first morning of the season. He and Marie loved to share the warmth of their motor home on those cold days. They will be forever missed. Love you all so much. Zan*
