“ *I was so blessed to be Brenda's friend for many years and always enjoyed visiting her home and with her family. Mr. and Mrs. Campbell were always so kind to me and I loved to look at Mrs. Campbell's artwork displayed in their home - she was very talented and a very kind lady and I know that she and Brenda have reunited in heaven and can only imagine what an amazing reunion that has been. God bless your family as you grieve her loss and celebrate her life.*

“ *Bobbie wAs such a kind person. Over the years, I took her projects to paint up for me. One interesting thing was a ceramic armadillo for my dad. She painted it with a gold tooth. Daddy cherishes that piece, not because of the gold tooth but simply because Bobbie painted it. She was very gifted and shared her talent with many!*

“ *I have a Million memories of her but the one that I always giggle about was the day Amanda (Wilson) Moore introduced me to her. I was nervous as I immediately read she was a woman of "Take charge" and as I sat there she and Amanda began talking about various flowering plants. Amanda disagreed with her on one (I have no idea what as I see grass or weeds) And Ninnie "Bobbie" walked over to her many books and flipped a few pages then sat it down in front of Amanda then proceeded to sit back down and not say a word. Amanda then mumbled your right. I sat there and didnt say a word.*

“ Bobbie was a very special lady. I have so many memories of her as I was growing up and through the years. She always had something going on around her. I told her many times that when she walked into the room, things just came to life. She was smart and talented and I'm proud to have been able to call her my Aunt. My Love to Sandra and Marty and all the family. Sissie
