“ *My husband, Brian's uncle, Ronald Posey was crazy about Brian. They had many good times together, one being the week before my husband died. Brian and Al talked about the laughs they had and the good time they had working together in Waco. Brian and Rhonda were little when we married and one of the first things we did was visit Brian, Rhonda. and Carolyn. I will always have those memories and I cannot tell you how sorry I am about Brian. But I do know one thing. Somewhere Ronald and Brian are laughing together now. Susan Graham*
