The smile you always seemed to have has been a comfort i will never forget. You were more than a cousin to me, you were a sister i never had.*

“ I worked with Bridget for several years, back in Receiving at Wal Mart. She trained me for the job. She amazed me at how quick she was to learn different jobs. It was certainly Wal Mart's loss when she changed jobs. This is all so horrible. I'm so sorry for you all. I know she will sure be missed. She really loved all of you.
