“ *I am so saddened to find out about Butch's passing this morning. On behalf of ACCESS we want to express our condolences to her family. My heart is so heavy because Butch would tell me stories about how she grew up with my Daddy, Eugene Taylor in Dialville. She was a very strong willed lady. Prayers to your family.*

“ *What a blessing to have known Butch! She & George Robert were the very 1st of many friends to welcome us to the Bulah Community. Her "bubbling over" personality could always cheer you up, make you feel warm inside, or put a smile on your face.*

*We're sure she will always be in the hearts of anyone who knew her, we know she will be in ours.*

“ *Guy Eula "Butch" grew up as older my sister's play mate and best friend for many years. I thought for many years that she was my other sister. I loved her like a sister and still do. My prayers go out to the family and I ask God's blessings on them. May God bless them in their sorrow. Mertie (Sewall) Telford*
