

## Carlos Eduardo Zavala Flores

February 2, 1991 - April 23, 2021

Carlos was a loving husband and best dad in the world. He was my first love and I was his. We learned together how to navigate this wondrous life. I will always remember his wonderful smile and beautiful eyes that made me fall in love with him the first time we locked eyes.

He was born in S.L.P., Mexico on February 2, 1991. He left his home to find a better way in life. I always said to him it was our destiny to find each other in life because we deserved to find happiness. He was a hard worker always wanting the best for me and his boys.

He is survived by his wife princess mommy and two boys Carlitos and Eddy. His greatest joy in life was his boys. Even on the toughest days of long work hours he would always come home and bring his boys and me a sweet treat. Always showing off his muscles to his boys and loving them with all his heart. He always said the one thing he looked forward to was taking care of his future grandchildren. I know you are in a better place and will always feel your warmth around your boys. We shared many memories and I am happy for the time we got to spend with you. Our boys will forever have a piece of you. You are loved beyond measure.
