“ Aunt Maureen was one of my favorite aunts! I know I have several favorites, but I have some awesome aunts! I remember years ago if you were washing dishes and touched her sink, it would shock you! She got many laughs off that sink shocking people! Lol! There's so much more I could share. I love you Aunt Maureen and you will be missed. I know that you're in a better place now, although it doesn't make missing you much easier.
