Charlotte u were one of the best friends I ever had. More like a sister. My children have always loved u. We've shared many laughs, prayers. When God molded u, he molded another Angel. Children were the heart of ur life. The children all loved u back. When u passed to the other side, there were so many family, friends, & most of all the one who gave his life for us all. I'm so happy u have arrived HOME. I also know u will b one of the ones who will b waiting for me when I pass over to b with all my friends & loved ones. The one that saved us, Jesus, now is showing u around Heaven.. Ur prayer has now been answered..

“ Of all of the seven sister I had, I remember getting letters from you when I was in the Far East. I looked forward to those letters. You always remembered my birthday and sent me a birthday card no matter where I was at. A couple of years ago, I stopped getting those cards and Birthday wishes. I knew something wrong and you had gotten very ill. That broke my heart for someone as good and faithful to God as you were. I seen first hand your faith in God at work. The loss of your Twins was devastating. Then there was the loss of our Mother and Dad and the loss of our dear Sis Marie to whom you were very close to. You went through a divorce that shattered your heart; you prayed and picked up the pieces and moved on. You lost six sisters and two brothers that you loved dearly. There are probably many things I don't know about you as you were not one to put your problems out there. I'm sorry for the things that happen to you in your lifetime. You were one of the sweetest Ladies that ever lived. I will miss you the rest of my life. You are in the hands of the Lord now and it's your time to shine. God received an Angel when you passed. Tell everyone hello and I'll turn out the lights someday and meet you there.
