“ *I miss you everyday. I can't help but sit here and remember all those nights/days at the deer lease. Those were the best nights yet what I would give for one full day and night to ride the four wheeler and roast weenies by the fire with you. I love you forever and always!*

“ *I was so glad to see you in church and bible study during the last couple of months, and I really enjoyed our conversation a couple of weeks ago while we were working on your truck. Your heart was in a good place, and you were honest about what was going on in your life. It was good to hear your concern about your brothers and how much you appreciated what your Mom and Charles Henry did for you. Rest, brother.*
