

Clinton Wayne Brock

October 1, 1982 - April 8, 2021

Clinton Wayne Brock 10/1/82-4/8/21. Clint was born in Palestine Texas to Tammy Laverne Alexander and Hearold Wayne Brock. He lived in Rusk, Texas with his sister Felicia Brock. Clint was tough and a fighter, he battled everyday of his life whether it be self inflicted or the hand of God. He was misunderstood and for good reasons sometimes. I met Clint on the banks of mayhaw slue on the banks of Mudd creek when we were just little boys and we have been friends ever since. Throughout our lives there has been ups and downs along the way but I can say this I never met a man with a heart like Clint Brock. He was my friend and many other's friend as well and he will be missed. His memorial will be May 1st, 2021 at the state park in Rusk, TX at 2 pm.
