“ *This man was many things to many people, but to me he was my dad. Though I didn't have him growing up, when I met him all those years back, for the first time I felt like a whole person. I wasn't able to have a lifetime of memories with him, but I cherish what small ones that I do have. I wish I would've been afforded the opportunity to tell him I loved him & a chance to tell him good-bye. I've just recently (within the past few weeks) learned that he left this earth.*

“ *It was an honor and privilege to know Darrel. He was a humble man that would do anything for anybody. His honesty and integrity served him well in a career that he loved with the sheriff's department. Darrel will be missed and never be forgot by me and my family.*

“ Darrel, was a special kind of man. He took care of my Mom and Dad, when we were not living near. His love for my family was wonderful and greatly appreciated. He served the people of Cherokee County as a Deputy Sheriff and made this county better. He was always there when I needed help on the tree farm and asked nothing in return. To have a friend, such as Darrel, is one of God's blessing. We love you dearly, Darrel, and we will miss you.
