“ *Our dear friends - we have missed you the past 9 years - although the distance between our homes became much farther, the closeness in our heart remained. Each of you are in our prayers, - with love to you all.*

“ *Dear Callahan family and friends, I was sorry to read about the death of your dear loved one "David". I know how it hurts when a loved one dies, my heart goes out to you. Please accept my sincere condolences. May you be comforted as I was by our Heavenly Father's loving promise that he will reunite us with our dear loved ones by means of a resurrection on a paradise earth in peace and happiness in the very near future (Acts 24:15;Psalms 37:11,29). What a happy reunion that will be. Learning what the Bible really teaches has aided many to cope during these stressful times. It is my hope that your fond memories of "David" and God's precious promises warm your hearts and help make your present pain a little easier to bear. Again my deepest sympathy to you.*
