“ *Dave was there for us when we were in need. On one occasion, when I was a little girl, Dave came over to bury our dog for us. We appreciated and loved him for that. He was such a loving person. Although not related by blood, he was our family. I remember him coming with Uncle Ronnie to stay the weekends at the lake house in Tawakoni. So many crazy fun stories. I am so thankful he and my uncle were such good friends because that brought him into our lives. I was blessed to grow up with Dave in my life. We loved him very much. He was a very special person. God bless his family and friends. Our prayers are with you.*

“ *I will miss his smile and his love of our family. Dave loved hanging with the girls on girls weekend at the lake. There would be 8 plus girls and Dave. Dave enjoyed the laughter and companionship he had with us girls. We enjoyed the stories of his life experiences in his younger days! For those that grew up with him....you can imagine what some of those stories were! He was so fun to hang out with and he will be missed for sure!!!!* Marsha Carr
