“ *He was a great man he accepted me and my brother and treated us like his own children and i am really sad that he will never get to see his grandson grow up and that his grandson will never get to know his pop pop*

“ *My heart is broke! I have so many great memories of you! You were a great dad, and even better grandfather! My girl's lost their pop-pop last night, and I lost my rock. I love and miss you more than anything in this world!*

*Love Always,
Jessica*
