“ *David was a very funny man- could always make you laugh. He was a close friend of my ex - husband. This was how I met David, his first wife Rhoda, and their children; Derek, David Jr., and Mallory. When I worked for the late, great Billy Palmer, I got to know him a little better. I know he will be greatly missed, especially by his family and Don Goff.*

“ I absolutely love this picture of him, because that's exactly how I remember him.

*Always so friendly and sweet.*

*He's the reason I love going into the old part store with my step-dad.*

*I can't remember a time he didn't give me a quarter for the gumball machine.*

*That seems so small, but because of that and his friendly smile after all these years I haven't forgot him.*

*My thoughts and prayers go out to his family.*
