DeAnna was a very good friend of mine and my mother's, Blanche Sewall. We loved her and always enjoyed her visits with us. She will be missed by all those who knew her. We extend our deepest condolences to her family especially Rachel whom she loved and talked about so very much.

“ *Deanna was our case Manager for many years as my husband has Progressive MS and needs added care. Deanna was always professional and tried very hard to find the person who would be the right fit for our situation. I've not seen her for a year, but have missed her. To her sweet daughter, I just want to say you were the light of her life and it was obvious she loved you so much. Her eyes would light up if you were coming home for the holidays. She will live on in your heart, always.*

“ *I graduated with Deanna's sister Angie. I had not seen Deanna in many years, however we had a special bond because we were mother's who had lost our daughters. When I was having a hard day, she would always know what to say. I would do the same for her. Deanna was kind, caring and loved her family and friends. She will be greatly missed. I will miss our conversations on facebook. RIP sweet Deanna.*
