“ Oh my Miss Vickie, This has just broke my heart. My heart hurts for you and your family. I can only imagine how difficult this must be for you all... Our prayers are with you. I just want you to know Dennis will always be in our thoughts and never forgotten. I will never forget how he could light up a room with a simple smile. He had a big heart. He loved his family and friends and always put them before himself. This is a huge loss for all of us. He will be missed by many. GOD bless you and your family and may he help to guide you all through this safely. We love you and your family very much.
