

Dorthie Williams Hutto

December 15, 1932 - February 11, 2020

Funeral services for Dorthie Williams Hutto, 87, of Alto, will be 11:00 a.m., Monday, February 17, 2020 at the Wallace-Thompson Funeral Home Chapel with Bro. Kevin Gentry officiating. Burial will follow at Pleasant Grove Cemetery, Maydelle. Visitation will be 5:00 p.m. to 7:00 p.m., Sunday, February 16, 2020 at the funeral home.

Dorthie Hutto went home to Jesus on February 11, 2020. She died peacefully at home.

Dorthie was born to the late Lester and Gussie Williams on December 15, 1932 in Maydelle, Texas.

In addition to being a dedicated and loving mother, Dorthie also was dedicated to her grandchildren and helped raise two of them. Throughout her entire life, she held an unwavering faith in God, which she shared with those who surrounded her. She lived in Houston until she retired from Southwestern Bell after over 28 years. She and her husband then moved back to East Texas to be closer to where they grew up and you would often find them at their produce stand off Highway 69.

Dorthie joins in Heaven her husband Dale Hutto; her parents; step-son, Mike Hutto; brothers, Alton and Leslie Williams; sisters, Cassie Williams and Louise

Garner. She is survived by children, Bobby Helm of Alto, Audrey and Jim Miller of New York, Joe Helm and Jimmy Woodard of Alto, Dawn McCubbins of Longview, Jeff and Renee Hutto of Waco; brother, Jack Williams of Cushing; sisters, Patsy Rowell of Wells and Katherine Lusk of Maydelle, 12 grandchildren; 11 great-grandchildren; and many nieces and nephews.

How do you measure a life? By the diversity of people who have called, have written, and who celebrate the life of Dorthie. The family would especially like to acknowledge the care and support our brother, Joe, gave our mother, especially this last year.

We learned from the palliative care nurse that it is not pain that affects the aged, but rather, a bone-crushing fatigue. Dorthie never outwardly showed that the pain and fatigue were affecting her. She had a strength of mind I have never seen in anyone else and that made her such a special person to us.

Pallbearers are Wayne Helm, Wes Priest, Gene Smiley, John Roycroft, Roy Rowell, and Donnie Lusk.

“ Mom, I'll miss you with all my Heart and Soul. I know you know how much I loved you as well as I knew how much you loved me. I have to admit after all the years I was with you I became more like you, I never gave up and no matter where I was you were on my mind. I'm so very thankful I was able to keep you at home - where if I heard a pin drop I was there to your rescue. I gave you my best, always. I cant help I lost the battle when you went to sleep when I was in your room with you. There was no sign before you left me. You chose a time I never knew you were gone until I asked if you were there was anything you needed. I then realized you were gone from this earth, I'm thankful you were thinking of me as our Lord Jesus was calling you to your new home and Journey to Heaven. The loss I carry upon my shoulders, of not having you near me, is so crushing. But I know you were ready and I told my myself two days prior it was time for me to let go. My love and loss for you is never ending.

Your son Joe Helm
