“ Many prayers and lots of love to Aunt Ruth and the entire family. I am glad to have met Elvis again in these later years. He was 5 years older than me. I will regret the years I did not get to share with him but looking forward to the eternity to come to get to know him and all my family better.

“ Its so heart warming to know that you're up in heaven rejoicing with God right now, and getting to see all of the loved ones we have there as well. I know you couldn't be happier now, no more pain, no more suffering and that makes my heart happy. I'll miss being able to see you, but I know you'll forever be with me where ever I go. Thank you for everything you've ever taught me, and the words of wisdom you shared with me. Im so very blessed to have been able to have such an amazing man to call my very own grandfather. I love you so very much and can't wait until I get to see you again!
