“ *Erwin was my grandfather and unfortunately; I was unable to spend anytime with him. I remember him to all ways be occupied with things in the yard or just anything he could do to passify his time. He was known as dagwood when he was a truck driver and I wasalways sharing that with people in my life. I have lost so many family members this year. Time is precious. Goodbye Granddaddy see you in heaven where we will praise our king forever. With love, kathy turner hall*

“ Every memory I have of my daddy is a favorite. One as a child that stands out to me is him letting me sit in the big ole stirring wheel of our car and I would pretend I was driving. More recently is how my daddy got up early every morning, made coffee, sit at the table and talked to the Lord. I would be sleeping on the couch in their home and I'd just lay there and listen. I loved to hear my daddy pray. He prayed the sweetest, most sincere prayers I've ever heard. I'll miss him forever.....I love you my dear sweet daddy ?

“ I still remember when daddy was teaching me how to drive those big rigs
Think I was about 11 or 12 when he put me in control of that 1980 peterbilt
We were in Chicago to Dalhart tx
He told me get in that Drivers seat and wake me up when you get to the weight station so he could take over
I woke him up when I got to Dalhart tx
Daddy said looks like you got it under control son
I just go back to bed he said
I will always remember that time together
I love you daddy
