We Love and miss you Daddy...we keep listening for you to call us...but there is no call! We keep looking in your room to check on you...but you are not there! How will we ever fill this void in our lives....like the song says ...I am jealous of the angels because they are with you tonight.... I know that we will see you again...and I know you're with Jesus walking the streets of gold...and I look forward to that day when we will walk with you and Jesus...Love you forever more!
