“ Memories ?,,, there isn't room enough here for those. Gary, myself, Johnnie, John and a multitude of others, including his daddy inlaw, Elray, spent SO much time at Sleepy Hollow on the Neches river, hunting and fishing, there should have been a novel written about it. Gary was a VERY CLOSE friend. A HARD worker. A GOOD hunter. A GOOD listener, and his wife was the same. BOTH were/are among a few of the good friends that I had/have on this planet. Whatever Gary told you,,, count on it. Gary is one of a few folks in my life, that I won't ever be able to forget..... I could go on and on and on...but RIP my friend,,, I and we all may see you again soon, and VERY soon.

“ Big Gary was such a huge part of our hearts and lives when our boys were in the band “FOXX”. Funny, dry humor and always encouraging to Gary, Matt, Chad and Bryan. You'll always be in our hearts. Linda Rae and family, you all are in my prayers as I love you all so much!❤️
