“ *Henry Lee was always such a nice man. I was always impressed at how he took care of Vada.*

“ *Mr. Wilburn was a quite man when I would see him at my Aunt Iris May's. She was his Aunt on his fathers side. Aunt May had no children of her own. After Uncle Orval died he would come check on her and help her by taking care of her yard and heavy work she needed help with. He was one of those people I believe that helped our Aunt out of love with no ulterior motives, expecting nothing in return. Isn't that how we wish everyone was.*
