“ *This is for my wonderful, loving funny Aunt Ima. I could always count on her sweet smile, and her understanding heart. She had a way of making you feel Special. I remember helping clear land on Lake Houston for their neat cabin to be built. I remember a quilt came in very handy before a bathroom door was installed. So many things come back to me, the neatest Special Christmas presents for a girl of pre teen and teenage years. Going to Rhom & Hass company picnics. Uncle Bert taking us to Galveston. Goodies in jars in her kitchen. Eating off of her cool dishes with the roses on them. Trinket boxes she would give to me..... But most of all the love, always the love, the smile, the hug that told you I care. Things so many miss these days due to miles in between families. Thank you for your love and kid like ways, and your smile.....and that I'm so proud of you look. As you join your rightful place with your parents, and brothers and sister's, know that there is a place in my heart for you My dear Aunt Ima.*
