“ Uncle Jackie will be missed by all who knew him. He was an honorary father to me even though there' was only six or seven years difference in our ages, he still saw me as a kid. I love you uncle Jackie and I'll see you on the other side again someday.

“ I met Jackie in 1972 at Central Freight Lines in Irving, TX. He had worked with my dad at Central and had told Jackie I played guitar. That began a friendship over 40 years with he and I playing music at several get togethers. The last several years we got together twice a year and played music. ate great food and told lots of stories . He was a great guitaris, was wonderful friend and a godly man. I will miss him a lot and always remember our good times.

“ One of my favorite memories of Jackie is whenever he was introduced it was “I am Jackie Chan, the Guitar Man.” And he was. Loved to hear him play that guitar and he is truly Bound for the Kingdom. Jackie, strum that guitar for God and all the angels to hear. Until we meet again - love and you will be missed (especially at Brookshire Brothers on Wednesdays).
