“ *Uncle Jimmy has always been an important part of all his niece's and nephews lives. We all spent time with him and had fun. When Connie, Laurie, and I were little girls uncle Jimmy was in the military. He would write us letters and that made our day when we recieved them. When one of us found out that another got a letter and we didn't, boy would we get upset. I have such fond memories of spending time with him and aunt Marie every summer.*

Uncle Jimbo, was certainly one of a kind. He was the best uncle any little girl could ever have. He loved his family big. I can only imagine how he felt to be reunited with his sons, Mom & Dad, siblings, grandparents & so many others who have gone home before him! What a great reunion! 💕

Uncle Jim loved us so much and we loved him! He was always kind and willing to help anyone in need. His family was his life. Tammy that is so true about all of us writing to Jim in the service. He wrote one of my best friends first and I was upset! Lol I bet they are having a wonderful time in heaven. Love my Jim.

Jimmy was one of a kind. He was the only Uncle that came by to see Lil' John and take him places. He could relate with Lil' John when the rest of us couldn't. And boy how lil' John hung on all the stories Jimmy would tell him. lol Will miss him coming by to say Hello.

Prayers for the family. He was a good person. I remember when he came to Arkansas & had fun with all the kids. He was just a big kid himself.
