“ I know that both my parents, of whom I lost in the last two years, thought a lot of Jimmy. Every time I would see him he would say hello. Always a kind man.

“ Jimmy would sometimes use a 30-30 rifle with open sites for deer hunting. He was as good with the open sites as most are with scoped rifles! For some reason Jimmy and his brother Bud, would call me "Thompson" - I never figured that one out. Jimmy was always good to me and he will be missed!
