“ *This sweet lady was an encourager and always knew who you were and was genuinely glad to see you. I have very fond memories of her from church and school. One of a kind feisty redhead!*

“ *She was one of a kind. I have know her all my life. I will already remember how when her oldest Kent was killed how she came to our house to comfort my Mom because she knew how much he meant to our family. One of my brother's best friends and my "other big brother" I know all of her children know they were blessed to have her as their Mom.*

“ *Mrs Jones was one of my homemaking teachers when in high school. She was one of the sweetest people I have ever know. She always remembered me when she saw me in town or where ever we met.*
