“ I didn't know Darren very long, but I really enjoyed the time we worked together at Tyler Technologies. He was a great guy to talk to about all things nerdy.

*Excelsior, my friend!!! Rest in Peace.*

“ I just recently heard of the passing of Darren. My sympathies and condolences to his family and friends. I knew Darren from work – I did not know him well, but he was always very helpful and friendly. I pray you find comfort and peace in knowing he is whole and well, even though this is a sad time of loss for you.
