“ *Love and Blessings to the Townsend and Oversteet families. I'm reminded more often how we need to have joy in our lives and share it with others because life can be so short. I have many memories with Jennifer because of my friendship with Brian. A few weeks ago I went to watch Hunter play ball. As usual, Jennifer and Mrs Townsend were there. She and I as always had a great conversation. She was very concerned about my son's illness and expressed her love for us and him. Such a wonderful heart and spirit. My heart breaks for your loss.*

*Jennifer was one of the first friends I made when I moved to Rusk from Galveston my junior year of high school. She came and introduced herself to me and we remained friends from that point on. Always a smile and a kind word from her even when things weren't always so bright for her. Her smile and kind heart will be missed by many. An absolute sweetheart! Prayers for the family. God Bless each of you.

“ I still can't believe it. I will miss seeing her the the stands cheering on Hunter. One of my memories with Jennifer is about Shayla and Hunter. (When they were smaller) She was crazy about them just as I am, but they would come to my house eat a snack and just throw the wrapper on the floor. I corrected them and said who do you think has to pick this up, and they let me know real quick Jennifer does. Lol. So the next time I saw Jennifer, I said you have to quit cleaning up after them, you're spoiling them...she just grinned and said "I know". And I know it was because she loved them and she was a caregiver. Always sweet. I'll truly miss seeing her.
