“ *Condolences to Kelly & family, and Cinda & family. Your mom was one of the best teachers I ever had.I took only one year of typing,,,after not touching a typewriter for 14 years I began again and still remembered hów, perfectly. She had a wonderful attitude, in the classroom as well as at home. After spending some nights with Cinda, I observed her in her home, where she was always kind and gracious. I know she will be missed.*
