“ *We had some great memories at Grandma and Grandpa Todd's farm. Thinking particularly about a time that a cow ended up on the back porch in the middle of the night, banging his head on the wall to my bedroom. Scared me to death! John happened to be there that night. Thank goodness! We also enjoyed some good times when he was living in CO. We went to see John & Kimberli's place and stayed the night. We had a blast just talking, eating, reminiscing. It was good to reconnect and I'm so happy we had that time together. I'm praying for comfort and strength for our entire family, but especially Aunt Barbara and his wife Kimberli, and son, Lane, brother and sisters. We love you all and are keeping you close to our hearts during this difficult time.*
