“ *Frances,*

*Just now found out about ur brother; as I had told u in the store fairly recently, I always spoke to John at the nursing home, when I was able to go in before this virus stopped that. Knew he was aware of who I was, and appreciated the greetings & maybe even some of the music from time to time. Have 2 believe the Lord was ready 4 him, and that he is now in a better place & at peace. Will keep u in my praryers.*
