Chad went to Carlisle school with my sons, played baseball on Josh's team with John coaching. He was always dependable to listen then, always with a smile, but what I will miss the most is the hugs he gave from a small boy to the big man he became. Rest In Peace Chad and when I see you again I will bake you more cookies. Love, Dee Owens

“ Chad was always a pleasure to be around. I remember mamaw and papaw watching him when he was a baby and I got play with him. I also remember Uncle Leland wrapping him up in a blanket and putting him in the truck to go to work with him. I will miss seeing his beautiful blue eyes and red hair. My uncle's double for sure. Thank you God for letting us love him.

“ He taught me how to rake hay my first year working for robert. The muffler fell off halfway around the field and that was my lesson I was on my own and choked on fumes the next couple days. He always stopped and talked to me when he would see me outside. Sad to see him go and was one of a kind. You will be missed my freind. But never forgotten. Tell Robert ole worm said hello.
