“ *I met Mr Lucas while working at TDCJ & he was one of the hardest working guys I've ever worked with. He was always so pleasant & so very reliable. There are not many guys like him left to work with. His shoes will never be able to be filled. I can never forget that one of a kind voice nor the example he set in place with his dedication to get a job done correctly. A great guy indeed!!! My prayers are with his family, his friends, & any others who were given the opportunity to meet such a precious soul. Gone but never forgotten. Thank you Mr Lucas & thank you God for crossing my path with such a wonderful guy.*
