“ *Prayers to all friends and family. I am so sorry for your pain and the void you feel. The life Joyce lived lets you know where she is but it is still hard. Joyce was a very gracious lady and so much fun to be around. I enjoyed her singing playing and she was fun to be around. She is just helping get the choir tuned up.*

Joyce is now getting her wish. She always said when she got to heaven she wanted to swing on the pearly gate. She was a true blessing to me. I loved her dearly. I just pray her family is rejoicing for her. She is right where she wanted to be. Resting in the arms of Jesus.

*I was blest to have Joyce as a "travel buddy." I loved to hear her pray! She really knew to whom she was praying.
She was blest with many talents
We drove to many concerts. 4 night concerts etc. We would sit in the audience and quietly sing or hum along. No one ever turned around. I guess they missed our contributions!
She was loved and will be greatly missed!*

“ *I have a special place in my heart for Joyce.. It is hard to accept the fact that she is no longer here with us. But I know where she is, and it is a far more wonderful place! I can just imagine her singing with the angles in Heaven, and how beautiful it must sound. She will be dearly missed.*

Until we meet again.. I Love You, Joyce.
