“ *So sorry about hearing this news. She is now and Angel looking down on her family and love ones. She was like a 2nd mom to my Daughter (Melanie Jones) and was a very loving person. My prayers and thoughts are with the family during this time.*

“ *I can remember when I became friends with Laraina. She dated my brother. And they lived in Bullard in that old house its torn down now. Laraina and I decided to sneak out of the house to go to the club. Jason new what we were doing. Well we did go to the club that night. But when we finally got back to her house let's just say we were bysted by Judy. I loved her ever since. When Laraina lived on Murray St. in Jville I babysat Bryce and Brianna. Brianna was 7 yrs old. Judy came over just to check up on us. Judy you will be missed. I love and will miss you so much.*

“ *My funniest memory of Judy was my first family reunion with all the family. She came up and gave me a great big hug with that great smile and said "I am so glad to see you" (big squeeze...LOL). Since I was from Oregon I had never really had jalapeno's before and she handed me this yummy cheese filled, bacon wrapped jalapeno that I fell in love with. Yep a bit spicy but yummy, She said "welcome to Texas" and laughed. I will miss her. Sheila*

“ We loved Judy so much. She was such an important part of all the family gatherings. Her smile was infectious and light up any room she walked into. She has left a great legacy of children and grand children that she loved and helped raise into great men and women who are loving and caring. Her grandchildren had great fun with her and will always love and remember her. She welcomed all the new husbands, wives, nephews, nieces and cousins into the family like they were her own. She loved everybody and really everybody loved her. We loved her and will miss her. Dana and Sheila Whitaker
