“ So very sorry to hear about Kathy's passing. We were good friends all through school at Rusk. After high school and college, I moved away and rarely saw her; however, the good memories remain and when we did run across one another, it was always a joyous occasion. Her parents and mine were good friends. My prayers and thoughts are with all of the family, and I pray God will give you comfort in the days ahead. With love, Karen Perkins Stanley
