“ I had the privilege of working with Kenneth for 15 years. He came to work for Gregg LP just about the same time I did. We were always talking about our grandkids and how much fun they are. He came by the office just a few weeks ago so that I could show him pictures of my daughters wedding. And we got to brag about our kids and grandkids a little bit more.

It's hard to believe we won't ever get to have those conversations anymore. He will certainly be missed. See you in Heaven sweet friend.

“ *It is such a sad thing that our lives get so busy after we are grown that we don't see family we grew up with like brothers and sisters until one of them passes away. My cousin Kenneth who was much to young has passed away. My brother, sisters & I spent a lot of time with Kenneth & his brother Melvin growing up & Kenneth will be missed even though our busy lives kept us from seeing much of one another over the years. My heart & love goes out to his children, grandchildren, mother, sisters & brother.*

“ *Kenneth was a great friend and a truly good man. His smile was always there and he was the same Kenneth anywhere that you ran into him. He and my husband Charlie were the best of friends for many years. They have coached little dribblers together, figured out what the Dallas Cowboys should be doing to win and how to solve the worlds political problems. They never ran out of things to talk about when they got together. Kenneth and that big grin and even bigger heart will be greatly missed by both Charlie and myself. Rest In Peace Dear Friend.*

“ *I am so saddened to learn of Kenneth's passing. We grew up together visiting our Grandmother's house each summer for 2 weeks of summer vacation for many years. We have many wonderful memories of those visits and our families. We had lost touch as adults and reconnected in 2004 becoming best friends again after so many years. We were always close to one another. Kenneth has come to visit me in Georgia on several occasions. He was planning a trip the end of this month or early next month since his retirement. It breaks my heart knowing that visit will never come. I know Kenneth is Heaven now. We spoke of our relationships with God often and I know he was a Christian man. Prayers for comfort only our Heavenly Father can provide for those who loved him as I do. I will forever hold Kenneth in my heart until we meet again.💕*
