“ *Faye, gone too soon, but will not be forgotten, I have so many memories of her, and having just gotten back in touch after years, we were both looking forward to getting together again, sharing old times, good times, and making new memories, it saddens me that we didn't get to, but Faith tells us we will see her again in time, so it s not goodbye, but see you later. Paulette, my heart hurts for you, being an adult orphan is very hard, I won't lie and say it will get easier. it doesn't, not really. Our mother s teach us so many things, but not how to live without them. Remember the good times, and try to focus on that, not on the bad. She is in a better place than we are now. Will miss her so much! Dude has been waiting to see her again for a long time now, try to draw what comfort you can from that, We will see her again. Call me anytime if there is anything I can do at all. Faye, we have too many memories to list, rest easy, watch over us, and save us a place. Love ya girlfriend.*
