“ *My auntie was beautiful, inside and out, so enjoyed the times I spent with her when I was young, we always had so much fun together, I especially remember one summer day swinging in her yard out by Lake Jacksonville, what a cherished memory, we had good talks and laughs. She so loved her girls and grandson, and was so loved by so many. My hat is off to Susan and Jr. for the loving care, especially in these last months.*

“ Our most heartfelt condolences to Linda's family. She was our RSH co-worker & friend for many years. She lead by example; loyal and very dedicated to her assigned positions. She was deeply respected and loved by so many. One funny story that Jack & I still laugh about: an employee on the unit said to Linda, " I think Mr. Billy Jack and Ms. Felice have something going on". Linda calmly replied, "They are married, let's hope so". Linda personally advised and helped me in our journey at RSH. I loved and admired her tremendously. Love, many thoughts and prayers, Billy Jack & Felice O'Neal.
