“ *Very often when Ann and I talked, she would begin the conversation with, "The Lord gave us a beautiful day to enjoy." We were prayer partners, and prayed for one another and our families. We prayed specifically. and our prayers were answered in God's timing and ways. I will miss my prayer partner and dearly loved friend so much. Just today I thought, "Oh, I'll ask Ann about that," and realized that she's left us in body, but in spirit she is very much here. We talked or wrote each other almost daily. I have so many fun memories of the times we "ran the roads" in East Texas, exchanged visits, and sat and talked for hours. She has enriched my life and I am deeply thankful that our Lord brought her into my life when we were in 3rd grade. I love you, Ann, and send much love to you. I'll see you later.*

“ *Ann was always a gracious, kind, determined, grace filled mother I considered a dear friend. Ann you will be missed. Prayers for her boys, Kelly and John along with their families this weekend and days to come May the values she lived out in her work ethic and demonstrated through the love of her country and family continue for generations.*

She truly loved her boys - "her pride and joy". Ann told me each and every time our paths crossed that her boys were her life's greatest accomplishments!

“ *Ann was a cousin of mine, only 3 months younger than me. We wrote letters back and forth growing up as I was living in Houston and her in Rusk. She did love family history and helped me get into DRT with her searching our lineage and tracing our family back to the 1700's and beyond. I went on several trips with her to Alaska, Spain, Bahamas, Florida, Galveston Home Tour and Tyler Azalea Trail. She also opened her home to my friend, Nancy and I when we went to Houston Livestock Show last two years. Such a lady, loved her Country, her hometown and Family. She will be greatly missed.*

“ *We are so saddened by the loss of Mrs. Doggett. Mrs. Ann Doggett was so special to the Moon Family and especially to Mrs. Lola Moon of Angleton, Texas who will miss her dearly. She was such a sweet and wonderful person and we know that Heaven is a little sweeter because she is there. May God bless you Kelly and John and the entire Doggett Family.*

“ Ann was my supervisor for 11years at the Houston Health Department lab. She was also my mentor and friend. I owe my career to Ann.....she gave me a job straight out of college and taught me (almost) everything she knew about microbiology.....she had a wealth of information to share. When she retired in 2004, I wasn't done learning from her but I had a solid foundation. Ann and I continued to stay in touch throughout the last 12 years. I last saw Ann at a colleagues retirement party on Nov. 30th. Ann looked great, as usual. We talked and caught up on each other's lives and when the party was over, we walked out to the parking lot together. Ann gave me a big hug before heading to her car. I took it for granted that I would see her again.....many times again. I'll never forget her.

“ Such a shock to me. Ann was always an encourager for me when I was in Frisco with my son who has kidney failure and will pray for a transplant soon. She was such a wonderful friend and had a great personality. She loved Rusk High School and her smile and friendliness was always shining through. I shall miss her and her emails. She DID love traveling and shared her fun in those travels. I have kept her encouraging words sent to me and I shall miss her so very much.

My sincere condolences to her family.

“ *Ann was a beautiful woman. I remember her taking me for the first time to Miller Outdoor Theater for a performance. She even took us to a "fancy" deli for a sandwich. We didn't have "delis" in Rosharon. I was so in awe. Prayers for your family during your time of loss.*

“ *Beautiful Ann. You'll be remembered always for your joyous hospitality, your good humor, your thoughtfulness and your caring ways. You gave so much of yourself to so many people. Your boys and their families will be hearing so many good things about you from your huge circle of friends. I hope all that they hear lends comfort to them as they grieve for a mother and grandmother who is gone too soon. Rest in peace. We are sending prayers for all your family and friends.
