“ *Dear Family,
Mr. and Mrs. Hobson were very special people in our lives. We were pew partners in church for about 30 years. We will miss not sitting with her but know that she has a better place to worship now! She was such a blessing in my life. I have carried one of her gloves in my Bible for years. It represents to me that we are to be the glove that God wears eachs day to touch this world in love. She touched our lives and many others in love many times, and we loved her dearly. You are blessed as well to call her yours. We pray for each of you and know that the memories of her loving hand in your lives are as precious to you as they were to Randy and I. Love, Randy and Sue Hatch*
