“ *You all couldn't have put a better picture of my Mary with the obituary!!! So precious of her. It just looks like she was.....so sweet and loving. Oh, you guys, I loved her so very much. She was my "sister".....and a very sweet one to me over these years. Guess the sweetest thing she did for me (and mother), was driving by herself all the way from Rusk for mother's funeral, then turning around and driving back and go to work that night. I just can't believe we don't have her with us anymore. Hurts so bad. You all please take good care.....we love you, Jack and Zanna Williams*
