“ *Carol, where to start. Mike was always there as my brothers and I grew up. MaMaw and Papaw loved their “Mike.” I pray God will give you all good memories in the days ahead. I am certain, my mother, upon greeting Mike reminded him which side he could give her a kiss. The other side was for his dad, as you know. Great memories of a great guy.*

“ Mike was a great guy we did some dumb things back in school but at the time we didn't think so. We were in our last year at Rusk and in speech class mike was called upon to give the answer he was looking it up which probably took two minutes when the teacher called upon another student for the answer. Well it went down hill Mike made a jester I saw it and Jerry Don saw it and we laughed out load needless to say we all three got sent to the office. After we told Mr Philbrick what happen he laughed and told us to bend over and we got one lick apiece. Told his secretary there goes three good men. When we return to class we made it look good by sitting real easy. Prayers to the family RIP my friend I will sure miss our little visit when I would go to the farm
